

ASTRON Galaxy Power F 5W-30

High-performance low-viscosity engine oil for passenger cars

Properties

ASTRON Galaxy Power F 5W-30 is a synthetic high-performance fueleconomy engine oil of the latest technology for modern Ford petrol and diesel engines. Excellent cold-start behaviour ensures optimum lubrication reliability in the cold-running phase. The special additive makes it compatible with E85 and ensures better protection of the emission control systems. Seal and belt materials are protected. Guarantees highest engine cleanliness and best wear protection. Exceptional product stability enables extended oil change intervals.

ASTRON Galaxy Power F 5W-30 guarantees fuel savings and contributes to environmental protection by reducing CO2 emissions.

Use instructions

ASTRON Galaxy Power F 5W-30 was developed especially for the latest Ford engines and is mandatory in **2.2 L Duratorq-TDCI** (from 04/2012).

It is also recommended for most other diesel engines (without KA 2009) and 1.9 L TDI.

Specifications:

- ACEA A5/B5
- API SN/CF

Recommendations *:

- Ford WSS-M2C913-A
- Ford WSS-M2C913-B
- Ford WSS-M2C913-C
- Ford WSS-M2C913-D
- Renault RN 0700
- Haval
- Chery
- Geely
- BYD
- Dongfeng
- JAC
- Lifan
