

# **ASTRON Galaxy Power F 0W-30**

# Synthetic high-performance low viscisity engine oil for passenger cars

### **Properties**

**ASTRON Galaxy Power F 0W-30** is a synthetic high-performance, low-viscosity engine oil of latest technology especially for modern Ford engines. Excellent cold-start behaviour ensures optimum lubrication reliability in the cold-running phase. The special additive has a self-repairing wear protection layer for start-stop systems in order to protect components in slow-moving traffic with frequent starts. Seal and belt materials are protected. Guarantees highest engine cleanliness and best wear protection. Exceptional product stability enables extended oil change intervals in accordance with the manufacturer.

**ASTRON Galaxy Power F 0W-30** guarantees a fuel-saving potential and contributes to the protection of the environment by reducing CO²-emissions. The additive used was developed especially for the new Ford with the high requirements of WSS M2C950-A.

#### **Use instructions**

**ASTRON Galaxy Power F 0W-30** was specially developed for use in the new Ford TDCI Duratorq Euro 6 engine (from 2014) with exhaust gas treatment and turbocharger.

**ASTRON Galaxy Power F 0W-30** is not backward compatible with older Ford specifications.

Observe manufacturer's instructions.

## Specifications:

ACEA C2

#### Recommendations\*:

- Ford WSS-M2C950-A,
- Fiat 9.55535 GS1/DS1,
- Jaguar/Land Rover STJLR.03.5007
